EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Britton on 16th of December 2005.

The application has been amended as follows:

Claim 1, Line 12; "in such a manner as" Has been changed to ---and configured---.

2. The following is an examiner's statement of reasons for allowance: Claim 1 teaches article transporting/storing device with a pair of posts that are angularly movable and prevented from movement by a movable rod. The movable rod is distinct over Bernard '831 because the movable rod is mounted in the brackets and is biased upward to a locked position and therefore allows a user to use a foot to disengage the rod by moving it downward, which is not taught by Bernard '831.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy M. Ayres whose telephone number is (571) 272-8299. The examiner can normally be reached on MON-THU 8:00 - 5:00.
